

Investment options

Our great range of options means your great range of choices.

Want more control of your super fund?

Want to play a role in managing your super fund investment yourself?

With WA Super, you have the right to know how your money's being invested.

We also have an extensive range of investment options, so you can tailor your choices around your exact requirements.

WA Super's 9 investment options

- My WA Super (Super Solutions members only)
- Diversified High Growth
- Diversified Moderate (Retirement Solutions members only)
- Diversified Conservative
- Australian Shares
- Global Shares
- Sustainable Future*
- Property and Infrastructure
- Bonds
- Cash

When you set up your WA Super account, your investment will be placed into the default option, which is My WA Super, unless you specify a different choice.

WARNING: You can choose one option or you can choose a combination. When making your choice, you should consider the different levels of risk and returns you're likely to encounter with each of these options, as well as the timeframe of your investment.

**The Sustainable Future option is different to the sector-specific options. It is a Socially Responsible Investment (SRI) and invests in companies that put labour standards and environmental, social and ethical issues at the forefront of how they grow and sustain their business.*
